

# Catholic Cemeteries & Funeral Homes

A Ministry of the Roman Catholic Church  
Diocese of Phoenix

## In Observance of Memorial Day

As Catholics, Memorial Day gives us a natural moment to join in prayer and thanks for our military service members who have made the ultimate sacrifice, so we may enjoy the freedoms and blessings of our nation. It's also a chance for us to remember all the loved ones we have lost in death and pray for them alongside our fallen heroes.

### Holiday Offers

For Memorial Day weekend and throughout the month of June, Catholic Cemeteries and Funeral Homes are pleased to offer 60-month financing with zero percent interest on all property. Also, all property and merchandise paid in full at the time of purchase will be eligible for a 10% discount. Speak to one of our counselors for additional information.

# Newly Developed Areas

## St. Francis Catholic Cemetery

### St. Francis Shrine Niches

Surrounding the St. Francis Shrine, located along the southern drive of St. Francis Catholic Cemetery, these niches highlight the beauty of the shrine. There will be a special blessing of this new feature on Memorial Day 2016.

## Holy Redeemer Catholic Cemetery

### St. John Paul II

The columbarium construction of this stunning new feature, honoring St. John Paul II, has a unique interior locking system for added security and care. Located in front of the St. John Paul II Mausoleum, the columbarium complements the existing mausoleum. Each niche will be adorned with custom vase rings that are a replica of the Corpus (staff) often depicted with St. John Paul II.

## Queen of Heaven Catholic Cemetery & Funeral Home

### Blessed Mother Niches

Located at Queen of Heaven Catholic Cemetery by the Garden Mausoleum, the Blessed Mother niches are adorned by a bronze statue of Our Lady that was refinished in 2016 and raised up to sit at the head of the new niche bank. The new area received a special blessing in February 2016, maintaining the holy, consecrated ground of the cemetery.

## Holy Cross Catholic Cemetery & Funeral Home

### St. Thomas Aquinas Cremation Garden

Surrounding the main feature of a St. Thomas statue standing on a columbarium, this newly created garden will have a tree-lined walkway offering different cremation options. The columbarium itself will rise 10 feet in height, creating a stunning centerpiece in the garden. The garden is scheduled for completion in late 2016.

### Los Cristeros

The Los Cristeros section will be dedicated to the Mexican martyrs who were killed during the Cristero War of the 1920s. The conceptual idea for the section's main feature will be a hexagonal courtyard with seven granite monuments; six monuments will be adorned with bronze busts of six of the martyrs (canonized by Pope John Paul II). The center monument explains the history of the Los Cristeros martyrs.
